Re: Welsbach/General Gas Mantle Site – Johnson Boulevard Property Group Remedial Action Report

Dear Mr. Duffy:

The U.S. Environmental Protection Agency (EPA) has completed its review of the Remedial Action Report (RAR) for the Johnson Boulevard Property Group – Construction Units 3.3, 3.4, and 5.6 at the Welsbach/General Gas Mantle Site in Gloucester City, New Jersey. The Johnson Boulevard Property Group includes the following properties and property owners:

- |  |                         |
|--|-------------------------|
| • Johnson Boulevard Land Preserve (JBLP) | City of Gloucester City |
| • Railroad Tracks along JBLP             | Conrail                 |
| • Ball Fields North (BFN)                | City of Gloucester City |
| • Railroad Tracks along BFN              | Conrail                 |
| • Ball Fields South (BFS)                | City of Gloucester City |
| • Railroad Tracks along BFS              | Conrail                 |

EPA finds the RAR to be acceptable, and hereby approves the document. If you have any questions please contact Rick Robinson, of my staff, at (212) 637-4371.

Sincerely yours,

Carole Petersen, Chief  
New Jersey Remediation Branch
